At Sancell we have proudly been manufacturing bubble wraps, bags and converted bubble products for 30 years. Our range of bubble rolls include economical light weight bubble for short distribution cycles all the way up to super heavy duty bubble suited to long-term storage and use with heavy machine parts.

For easier handling your rolls can be slit or perforated on the roll to suit your particular application. We pride ourselves on tailoring solutions to our customers needs, helping them to reduce waste, improve processes and consequently save time and money. Contact us today to discuss your tailored solution.
